### UNWISE LEGISLATION.

legislature passed and the governor approved a state revenue bill providing for taxing mortgages and deding for taxing mortgages and deposits in savings banks. This is bad legislation and the California people will discover the fact one of these days. The Utah lawmakers, two years ago, came very near committing a similar error. It is clearly double taxation, and while it nominally falls upon the possessor of the money, the burden finally must be borne by the burden finally must be to the fallen assist in building houses and making homes. By the new California laws tax will be placed upon the mortgages held by the banks. It is not to be expected that the latter are going to expected that the latter are going to permit this tax to be taken from tion Army" say the intention of the their vaults, hence the rate of interest organization is to establish laborers will be increased sufficient to cover in all parts of the United States and it. Depositors in the banks will be taxed on the money to their credit, the devil. They are wished the fullest success, but we fear they will fail, will be increased sufficient to cover it. Depositors in the banks will be to make an aggressive warfare upon the devil. They are wished the fullest encessarily low, the owners of the money will very naturally withdraw their funds, and become private loaners, putting and become private loaners, putting in the banks will be to make an aggressive warfare upon the devil. They are wished the fullest encess, but we fear they will fail, unless they change their methods and would consume three or four years of time in cundemorphism in the Chinese could and would consume three or four years of time in cundemorphism in the Chinese could and would consume three or four years of time in cundemorphism in the Chinese could and would consume three or four years of time in cundemorphism in the Chinese could and would consume three or four years of time in cundemorphism in the Chinese could and would consume three or four years of time in cundemorphism in which they are proverbially adroit.
